Easy on your budget

webManos can help your organization raise thousands of dollars. Our comprehensive software can help you start a new fundraiser or expand your current one. webManos can help increase your profits by offering numerous sending options along with reciprocity. A school can increase its revenue by offering the parent body an opportunity to send Mishloach Manos to other parents as well as teachers.

webManos is so confident in the affordability of our software that we are proud to publish our prices. We offer a sliding scale for pricing based on the size of your organization. For organizations with 100 or fewer members the cost for webManos is an amazing \$79.00 per season.

Below is our pricing for larger organizations:

101 to 200 members.....	\$99.00 per season.
201 to 300 members.....	\$149.00 per season.
301 to 400 members.....	\$199.00 per season.
401 to 500 members.....	\$249.00 per season.
501 to 600 members.....	\$299.00 per season.
601 to 1500 members.....	\$349.00 per season.

webManos can handle even larger organizations. If your organization is larger than 1500 members, contact us for a price quote for your organization.

Our pricing includes ALL webManos features. There are NO HIDDEN FEES for the use of our software. We offer unlimited technical support. We give you access to the software for an additional 10 weeks after Purim, enough time to reconcile your billing.

Easy to get started

Contact webManos today and we'll get you started. You can be up and running with webManos within 24 hours, and best of all, your organization does not need its own website to use webManos. We can be reached by phone at (917) 731-8699, or email us at sales@webmanos.com.

Using Paypal:

Our paperless online payment option requires your organization to maintain a Paypal account. You must abide by all terms of your agreement with Paypal which may include the collection of fees for each transaction using the Paypal service. Paypal's fees are generally reasonable and are in line with most credit card vendors. webManos does not receive any portion of the fees paid to Paypal. Visit www.paypal.com for more information about Paypal. ***You are not required to use our paperless online payment option in order to use webManos.***

Credit Card Option:

This option is meant for those organizations that already accept credit cards and wish to allow its members to submit credit card numbers without the hassle of making an extra phone call. webManos does not process your members' credit card payments. Organizations will process all credit card payments through their credit card vendors and are responsible for any fees that are in the credit card vendors' contracts. ***You are not required to accept credit cards in order to use webManos.***

Features & Options:

Some webManos features are mutually exclusive, while others may require a feature suite, while others may not be available until the end of your first season with webManos.
